FREE Movie Showing! **The Legend of Lucy Keyes** *Based on a True Story!*

250 years ago, a child disappeared. Tonight, she returns. Some legends never die. On April 14, 1755, in the town of Princeton, Massachusetts, Lucy Keyes followed her sisters to fetch some sand from the lake at the foot of the Wachusett Mountain. Lucy never returned. She vanished in the woods that day never to be heard from again.

Now, 250 years later, Jeanne & Guy Cooley move to the country with their two daughters to seek a fresh start. But they soon learn that their town—and home—have a sordid history. Haunted by dreams and cries in the woods at night, Jeanne digs into the legend of Lucy Keyes and ultimate unearths a horrible, centuries-old secret.
