Rosemary Ellen Guiley (Left) - Long time friend of SSP and author of 40+ books on everything from Angels to Vampires, she is truly the "Queen of the Paranormal". Rosemary's presentation will be "What You Need to Know About Demons". A selection of her books will be available for purchase and signing throughout the event.

Ed Okonowicz (Rt.) - A splendid story teller and author, Ed will discuss interesting and unusual stories discovered during interviews with folks who claim to have had paranormal experiences, including a casket collector, park ranger, quirky antique collector, guard on a graveyard shift, and more. Copies of Ed's many books will also be available.

Larry E Arnold (Left) - Director of ParaScience International, Larry is internationally recognized for his pioneering research in SHC - Spontaneous Human Combustion. He will share news of recent cases of SHC that he has documented - including some dramatic accounts from survivors! Larry's book ABLAZE will be available, along with other items.

Butch Witkowski (Rt) - Butch is the founder of the UFO Research Center of PA, former Chief PA Investigator for MUFON and a retired PA State Police Officer. He will discuss the latest in Alien Abductions, Cattle Mutilations and...HUMAN Mutilations. (Some photos he will share are not for the squeamish!)
